Your Account

1 General

1A Ryman Racing Pty Ltd trading as Colossalbet is licensed by Racing NSW and regulated by Liquor & Gaming NSW (L&G NSW) to accept wagers online through the Website and the Colossalbet apps, 24 hours a day. Colossalbet does not accept bets by telephone.

1B By opening a Colossalbet betting account or placing a bet you agree to be bound by the terms and conditions set out below. Additionally, by opening an account, you are deemed to have read and accepted Colossalbet's Privacy Policy. This is located at www.colossalbet.com.au.

1C Colossalbet may amend these Terms from time to time. Amended Terms will be published on our Website showing the date they take effect. Where a change is material, we will notify you by email or in-app before it takes effect. By continuing to use your Account after the effective date, you accept the amended Terms. Our Privacy Policy is published separately on our Website.

1D To open a wagering account with Colossalbet you must be aged 18 years or older. A 'Client' is a person who holds an Account, and any reference to 'you' or 'your' in these rules is a reference to a Client.

1E You agree that the service offered by Colossalbet is the ability to place a bet with possibilities of a win or a loss.

1F By opening an account, and each time you purchase products from us, you warrant that your registration and account opening do not contravene any law applicable to your place of residence or any jurisdiction in which you transact with us.

1G By opening an Account, and each time you deposit or place a bet, you warrant that you are not registered on BetStop – the National Self-Exclusion Register, and are not self-excluded with Colossalbet. You must register and maintain your Account using the same identity details (full legal name, date of birth, residential address, email address and mobile number) that you have provided, or would provide, to BetStop, so that your Account can be accurately checked against the register.

1H The current version of these Terms is always available on our Website and applies from its effective date. Previous versions are available on request by emailing support@colossalbet.com.au.

2 Client Responsibility

2A You must register using your full legal name exactly as it appears on your government-issued identification. Nicknames, shortened names, initials and alternative spellings are not permitted. Your personal details (including your full legal name, date of birth, residential address, mobile number, email address and payment details) must be complete and accurate at all times, and you must update them immediately if they change. If your details are incomplete, inaccurate or inconsistent with your identification, Colossalbet may suspend or close your Account.

2B By opening an Account, you agree to receive information and promotional material from Colossalbet by email, SMS, push notification, personalised in-app message and other electronic means. You can opt out of any channel at any time using the unsubscribe option in that message (for SMS, reply STOP), or opt out of all promotional material by emailing support@colossalbet.com.au. Opting out won't affect your Account. Colossalbet will not send promotional material to any person who is self-excluded, registered with BetStop, on a Take a Break, or whose Account is subject to a responsible gambling review. Colossalbet does not sell personal information to other companies. There are limited circumstances in which external organisations may be given access to your personal information, as set out in our Privacy Policy. In the event of a business transition, such as a merger, corporate reorganisation or a sale of all or part of Colossalbet's assets, we may transfer your personal information to a successor entity.

2C It is the client's responsibility to ensure that they keep their username and password confidential. If a client suspects that their details have been breached, they should notify Colossalbet immediately.

2D You are responsible for all wagers placed using your username and password unless you have notified Colossalbet in accordance with clause 2C. Any wager placed using your login will be regarded by Colossalbet as valid and may not be changed, cancelled or modified. Wagers will only be voided and/or replaced with another wager at the sole discretion of Colossalbet management.

2E You must complete the identification requirements in section 3 to our satisfaction before you can deposit, bet or withdraw.

2F **Sole use.** Your Account is for your sole personal use. You must not allow any other person to access, operate or fund your Account, and you must not open or use an Account on behalf of, or for the benefit of, another person.

2G **Responsibility for all activity.** You are responsible for all activity on your Account, including all deposits, bets and withdrawals. This includes activity by any other person who accesses or funds your Account, whether or not you authorised it, unless you notified us of the unauthorised access before that activity occurred.

2H **Indemnity.** You indemnify Colossalbet against any claim, loss or cost arising from a third party's access to, use of or funding of your Account.

3 Client Identification Requirements

3A Colossalbet clients must provide us with adequate identification for the purposes of complying with the Anti-Money Laundering and Counter-Terrorism Financing Act 2006.

3B The identification must detail proof of name, age and current residential address. We will attempt to verify your identity electronically through our identity verification provider(s). If that process cannot verify your identity, we may request additional identification documents. Examples of identification documents are:

(a) A current Australian Driver’s Licence or

(b) A current Australian Passport plus

(c) A Utility account no more than three months old, detailing your name as the account holder and address.

3C When clients upload identification documents, they must be clear and legible. We may also request, in our absolute discretion, that you provide originals or certified copies.

3D Adequate Identification must be received prior to any monetary transaction with Colossalbet.

3E If a client uses a debit card to fund the Account, legible copies of the front and back of the card may be requested by Colossalbet for its approval. Colossalbet reserves the right at its discretion to refuse to accept a debit card including but not limited to in circumstances where the card is dishonoured. Colossalbet reserves the right to request a copy of the front and back of the card registered on the account at any time.

3F Where Colossalbet has a reasonable suspicion that the account holder is not the true or beneficial holder of the account, it may request any further information it deems necessary to establish/confirm the true identity of the account holder. This may include the provision of statutory declarations and certified copies of identification or financial documents. Colossalbet may in its discretion reject certified documents for any reason.

3G Should a client deliberately falsify any ID or any other details for any purpose associated with applying for an account or transacting on the account, Colossalbet reserves the right to suspend the account and/or close the account without prior notification to the client. Instances of suspected fraudulent activity may be referred to the relevant authorities for further investigation.

3H You must not provide identification or personal details belonging to another person, or allow another person to use your identity to open or operate an Account. Doing so is a serious breach of these Terms and may be reported to the relevant authorities.

4 Deposits and Withdrawals

4A Clients may deposit into their account via debit card, electronic funds transfer (EFT), BPAY or PayID (Zepto) or CashIN through Blueshyft retail partners.

4B Colossalbet reserves the right to remove or add payment options from time to time. Current available payment methods can be viewed within the 'My Account' section of our Website when you are logged in to your Account.

4C **Own funds only.** All funds deposited into your Account must be your own, from a payment method held in your name. This applies to every payment method, including debit cards, digital wallets (such as Apple Pay and Google Pay), bank transfer, PayID, BPAY and cash. If we reasonably believe your Account has been funded by a third party, we may suspend or close your Account, cancel any unsettled bets and return the remaining Account balance to the original funding source. Settled bets stand, and Colossalbet is not obliged to refund any amounts lost on settled bets, whether to you or to any third party.

4D Colossalbet requires that any deposit into a client's account be turned over at least once prior to authorising a withdrawal from the client's account.

4E Colossalbet does not charge clients fees for debit card transactions, however the card holder may be charged a fee by their own banking institution upon depositing funds with Colossalbet which is your responsibility to pay.

4F Your identity must be verified in accordance with section 3 before any deposit, bet or withdrawal can be processed.

4G If the client provides incorrect banking details to Colossalbet that results in a returned bank payment, an administration fee of $2.50 will be charged for each transaction.

PAYID WITHDRAWALS

4H Clients may withdraw funds from their Colossalbet account via PayID, processed through Australia's New Payments Platform (NPP). PayID withdrawals are available to eligible clients as set out in these terms, and sit alongside the existing direct bank transfer (EFT) withdrawal method. Colossalbet reserves the right to withdraw or modify the PayID withdrawal option at any time in accordance with clause 4B.

4I To enable PayID withdrawals, a client must first register a PayID linked to their nominated bank account through the Banking section of their Colossalbet account. The registered bank account must be held in the client's name. Colossalbet may request documentary evidence to verify the account holder's identity and bank account details before processing any withdrawal.

4J A client's first PayID withdrawal is subject to standard NPP bank verification processing times, which may take up to approximately 24 hours. This one-time verification period is a requirement of the New Payments Platform and is outside Colossalbet's control. Subsequent PayID withdrawals will be processed in accordance with clauses 4K and 4L.

4K Clients who are fully verified in accordance with Section 3 of these Terms, have satisfied all applicable AML/CTF obligations as determined by Colossalbet, and have completed at least one prior PayID withdrawal from their Colossalbet account may receive PayID withdrawals processed through the New Payments Platform (NPP), subject to daily limits set by Colossalbet from time to time.

4L PayID withdrawal processing and receipt times are determined by Colossalbet's payment provider, the NPP and the client's financial institution. Colossalbet does not guarantee instant processing or any specific receipt time. PayID withdrawals may be held for security, review or compliance checks, and financial institutions may hold a first payment to a new PayID for up to 24 hours.

4M PayID withdrawals are subject to a minimum withdrawal of $10.00 and to the applicable daily limits set by Colossalbet from time to time. Current limits are available on request from Customer Support.

4N Colossalbet reserves the right to: delay, hold, or decline any PayID withdrawal where it has a reasonable suspicion of fraudulent activity, money laundering, or where compliance with applicable AML/CTF legislation requires further verification; request a bank statement or other documentation to verify the origin of funds prior to processing any withdrawal, consistent with clause 6C of these Terms; suspend a client's PayID withdrawal access at any time pending investigation of account activity; and process PayID withdrawals only to a bank account registered in the client's name, consistent with clause 7I of these Terms.

4O **Refunds to source.** Any refund, return of funds or settlement payment will be made to the original funding source or to a financial institution account verified as being in your name, at Colossalbet's discretion.

4P Payment methods you use. Colossalbet cannot always identify the holder of a payment method, including where deposits are made through digital wallets such as Apple Pay or Google Pay. You warrant that every payment method used to fund your Account belongs to you. Colossalbet has no obligation to verify the owner of any payment method and is not liable to you or to any third party for any deposit made to your Account using a payment method that is not yours, or for any bets placed or amounts lost using those funds. Any claim by a third party in respect of those funds is a matter between you and that third party, and the indemnity in clause 2H applies.

5 Fraud

5A Where Colossalbet has a reasonable suspicion of fraudulent activity related to a client’s account, we reserve the right to:

(a) Suspend an account pending the completion of an investigation.

(b) Request further information or documentation from the client.

(c) Cancel any pending bets which have been placed using fraudulent funds.

(d) Withhold deposited funds and/or dividends from resulted bets.

(e) Any matters of inappropriate or fraudulent use of any card will be reported to the relevant authority and the client's account may also be permanently closed.

(f) Colossalbet reserves the right to close the accounts of and void any or all bets or activity made by any person, group, or corporation in an attempt to defraud Colossalbet.

6 Chargebacks

6A You agree and warrant that no chargebacks or other cancellation of deposits will be made relating to your Account without our consent (which will not be unreasonably withheld or delayed). In the event that chargebacks or other cancellation of deposits are made to your Account without our consent, you agree to indemnify us for any costs, claims, damages and expenses relating to or arising in connection with this, including any expense incurred by us in recovering such amounts.

6B If a client disputes a financial transaction on their Account relating to a third party (e.g. Bank, eWallet), Colossalbet may temporarily suspend the Account without notice, pending an investigation by us into the transaction. If Colossalbet incurs any loss as a result of you unreasonably disputing a financial transaction on your account relating to a third party, we reserve our right to recover such losses from the client.

6C Colossalbet may at any time request statements or other evidence for any payment method used to fund your Account, including debit cards and digital wallets, to verify that the funds are your own. Colossalbet may suspend withdrawals, return the remaining balance to the funding source and/or close your Account until satisfactory evidence is provided.

7 Colossalbet's Reserved Rights

7A Colossalbet does not allow persons under the age of 18 years to hold a Colossalbet account.

7B If any price offered on our website is clearly a result of human and/or system error, we reserve the right to cancel bets placed at this price.

7C Nothing in these Terms excludes, restricts or modifies any right or remedy you have under the Australian Consumer Law or any other law that cannot be excluded. Subject to that, and to the extent permitted by law, Colossalbet excludes all warranties (express or implied) relating to its betting services and is not liable for any indirect or consequential loss, damage or expense suffered by any Client.

7D Subject to clause 7C, Colossalbet's liability in respect of any claim or loss relating to a wager is limited to the amount of that wager.

7E Colossalbet takes due care in ensuring information available on the website is accurate and correct, however if there is an error, Colossalbet takes no responsibility for any wagers that may have been placed as a result.

7F Colossalbet reserves the right to void any or all wagers made by any individual or group of people acting together either in an attempt to defraud Colossalbet or to gain financial benefit through the manipulation of tote-based dividends or the Colossalbet Starting Price (SP). This can include persons, relatives, organisations, bookmakers and their employees.

7G All wagers are deemed to be received in New South Wales. These Terms shall be governed by and construed in accordance with the Laws of the State of NSW and each Client irrevocably submits to the exclusive jurisdiction of the NSW Courts in respect of any dispute or matter arising from these Terms.

7H A rule specified on an individual market supersedes any conflicting general rules that might otherwise apply to that market.

7I Colossalbet may withhold funds until the identification requirements in section 3 have been completed. Colossalbet requires that any withdrawal of funds from a client's betting account must be made to a financial institution account in the name of the client. Colossalbet reserves the right to request documentary evidence of a client's financial institution account information prior to releasing funds to a client.

8 General Betting Rules

8A In the event of a tie/draw/dead heat where no 'draw' option was offered by Colossalbet, any bets will be paid at face value of the ticket, i.e. – your dividend inclusive of your stake, divided by the number of competitors drawing for that placing.

8B With "Each Way" betting, place ties will be paid such that the Place portion of the face value of the ticket is multiplied by the remaining number of places available and divided by the number of competitors tying for those available number of placings.

8C In the event of a tie/dead heat where a "Draw" option was offered, then all Win and/or Place wagers are unsuccessful and the "Draw" is the successful wager. Where the "Draw" option is offered, the bet is decided on the result at the end of normal time for all sports unless stated otherwise.

9 Placement & Acceptance of Bets

9A All bets on an account are considered to be received in the State of NSW, Australia, regardless of where the person is situated at the time of the bet.

9B Subject to these terms, Colossalbet reserves the right at any time to refuse any bet or part of a bet without providing a reason or advance notification. The circumstances in which we may refuse a client's bet include but are not limited to:

(a) A client is or may be less than 18 years of age.

(b) A client is or may be betting on behalf of a person who is less than 18 years of age.

(c) A client is or may be in breach of these terms.

(d) A client is or may be in breach of any applicable law.

(e) A client's proposed bet would present an unacceptable liability risk to our business. Whether there is an unacceptable liability risk to us for the purpose of this Rule is at Colossalbet's discretion.

9C In the case of wagers accepted by Colossalbet in accordance with these rules:

(a) Except in the case of live or in-play betting and racing events, wagers may only be accepted up to the advertised start time, actual start time, or such earlier time as dictated by Colossalbet.

(b) Except in the case of live or in-play betting, if a wager is inadvertently accepted in respect of an event after the result could be reasonably determined, the wager may be deemed invalid and will be refunded to the client. For the purpose of this clause, inadvertently means that Colossalbet had no knowledge that the event in question had started and the wager was accepted in good faith.

(c) Live or in-play means placing a wager on a Colossalbet-nominated market after an event has commenced and is in progress.

(d) In such cases, once an event has commenced, the event market will close, and a new live market will commence.

9D Colossalbet has absolute discretion over which odds, prices or lines it offers a client, and may refuse to accept any wager. All odds displayed on the Website or apps are indicative until the client has logged in and may change before the wager is accepted. The only odds offered are those displayed after the client has logged in, at the time the wager is confirmed. All odds are subject to the wagering limits in these Terms and may vary until the wager is accepted. For tote derivative products, the final price is not known until dividends are declared.

9E Maximum payout limits are as follows:

9G Colossalbet keeps records of all transactions on your Account and of your communications with us, including email and live chat. Where a dispute cannot be resolved between you and Colossalbet, you agree that these records may be provided to the person or body determining the dispute. Records are retained securely in accordance with our privacy and regulatory obligations.

9H If you have a complaint, please contact us at support@colossalbet.com.au. Complaints are handled under our complaints process. If a dispute cannot be resolved between you and Colossalbet, you may refer it to Racing NSW or Liquor & Gaming NSW. These Terms are governed by the laws of New South Wales (see clause 7G).

9I The minimum bet is $0.01.

9J Colossalbet does not accept live or in-play bets on sporting events. Any references in these Terms to live or in-play betting apply only where Colossalbet expressly offers a live market on the Website or apps.

9K In any sporting event where there is a flat line – for example +/- 7, and the result falls on that flat number, all wagers are void and refunded. Affected multiple wagers – multis and parlays, will be recalculated excluding that leg.

9L In any multi bet or parlay, if a leg is voided for whatever reason, then the multi bet is re-calculated minus that leg.

9M In any individual Same Game Multi (SGM) or Same Race Multi (SRM) where a leg within the SGM or SRM is scratched, void or abandoned the bet is void.

9N All-in betting means regardless of whether a particular competitor starts or completes the event in which a bet is placed, all bets stand, and no refunds shall be payable, or deductions apply.

9O Where an event or match is postponed and rearranged to take place within 48 hours of the original scheduled starting time, all wagers will stand. If the event or match is rescheduled to take place more than 48 hours later than the original scheduled start time, all wagers will be void and stakes refunded. Affected multi bets will be recalculated, excluding that leg. Please note that individual sports rules stating a different time period will override this rule.

9P In the case of sports betting and all other contests that involve a set length of play or time limit, players must play, and the event must run to the conclusion of the designated time, to be considered official for betting purposes. Please note that individual sport rules that state otherwise will override this Rule.

9Q Unless otherwise stated in the event description or individual sport rules, overtime periods or extra time periods will count towards the final result, except in relation to soccer (see individual sport Rules for soccer below). Other individual markets noted as excluding extra time or overtime, and individual sports rules stating that extra time or over-time does not count will override this rule.

10 Responsible Gambling

10A Colossalbet takes reasonable steps, including checks against BetStop – the National Self-Exclusion Register, to prevent self-excluded and BetStop-registered persons from opening or using an Account. These checks rely on the accuracy of the details you provide. If you wish to self-exclude, use the Responsible Gambling tools in the My Account section of the Website or app, visit BetStop at www.betstop.gov.au, or email our Customer Service Team at support@colossalbet.com.au.

10B If you are a self-excluded or BetStop excluded customer, you must not attempt to open an account or place any bets with us. If you open an account whilst you are excluded you are fully liable for your actions and for all activity and bets placed on your account. Any account opening or bet placement that circumvents Colossalbet's Responsible Gambling or BetStop checks by manipulation or omission will be treated as Fraud and reported to the relevant Authorities.

10C Colossalbet does not market or promote to individuals younger than 18 years old, and does not knowingly market to individuals for whom gambling has become a problem. Where a responsible gambling concern is identified on an Account, Colossalbet may suspend promotional offers and marketing to that Account.

10D To view Colossalbet's Responsible Gambling Policy refer to the Responsible Gambling link on our website.

10E If you open or use an Account using details that differ from those you provided to BetStop (for example a different first name, email address or mobile number) and, as a result, our checks do not identify you, you are responsible for all activity on your Account and Colossalbet is not liable to refund any amounts lost.

10F If you allow a person who is self-excluded, BetStop-registered or otherwise prohibited from wagering to access, use or fund your Account, you will be in serious breach of these Terms. Colossalbet may close your Account, deal with any remaining funds in accordance with law, and report the matter to the relevant authorities.

10G **Responsible gambling check-ins.** Colossalbet may contact you to check that you are comfortable with your gambling. You must answer truthfully, including telling us if you are registered with BetStop or have any concerns about your gambling. Colossalbet relies on your responses.

11 Inactive Accounts

11A Your Account will become inactive if you have not made a deposit or placed a bet on your Account for a period of more than 18 months ('Inactive Account'). To keep an Inactive Account open, you must pay a fee of $10 per month ('Administration Cost') which will be deducted from your Inactive Account (unless your Account balance is $0). To avoid the Administration Cost, you can simply either place a bet or withdraw your funds into your bank account. If this occurs your Account will no longer be deemed an Inactive Account.

PART B

Promotions

12 Bonus Cash

12A A Deposit Match Promotion is a promotion whereby Bonus Cash is placed in an existing Colossalbet account when a client processes a deposit within the promotional timeframe, as specified in the promotion guidelines.

12B A Refund Promotion is a promotion whereby a client's stake is refunded in the form of Bonus Cash to a Colossalbet betting account as specified in the promotion guidelines.

12C Any promotion that may result in the awarding of Bonus Cash can only be entered once per client. Colossalbet may determine, in its sole discretion, whether it believes different entries or accounts are associated with the same person or group of people.

12D Only one Bonus Cash wager can be placed per event or match.

12E For winning Bonus Cash bets, winnings will be paid excluding the initial Bonus Cash stake. This means that if a Bonus Bet to the value of $10 is placed on a selection paying $2.00, the net winnings paid will be $10 ($20 less the $10 bonus bet).

12F Clients considered to be abusing promotions by any means, or breaching these terms and conditions, may have bonuses, and any winnings from Bonus Cash cancelled or revoked.

12G Bonus Cash will expire seven (7) days after it has been awarded if it has not been used - the event can be any time in the future, unless otherwise specified in the promotion's terms and conditions.

12H Colossalbet reserves the right to cancel, change or suspend any promotion at any time without notification.

12I Bonus Cash and other promotional offers are not available to any person who is self-excluded or registered with BetStop. Any Bonus Cash or promotional benefit received in breach of these Terms may be cancelled.

13 Colossalbet's Protest Payout

13A Colossalbet Protest Payout will be applied when a horse on which the customer has placed a bet is first past the post but is ultimately relegated due to an upheld stewards' protest or enquiry. In the event of an upheld protest, Colossalbet will pay out in respect of both the first past the post and the runner ultimately declared as the official winner.

13B Colossalbet Protest Payout applies to every Australian thoroughbred and Australian harness race and applies to wagers placed through the Website and apps.

13C For the avoidance of doubt, protest payout shall only apply in respect of:

(a) Bets on horses that are first past the post but later relegated because of a protest.

(b) The customer's first accepted bet on a given runner.

(c) Protest payouts will not be applied in the event of the disqualification of a horse including, without limitation, if that horse is disqualified as a result of weighing in 'light'.

(d) Protest payouts apply to win bets and the win portion of each way bets

13D Protest payout will not apply in respect of:

(a) Bets on horses that originally finished second or third past the post but are relegated out of the placings as a result of a minor protest.

(b) Bets placed on pre-post or futures markets.

(c) Special markets, products or bet types including, without limitation, multi-leg bets, Exotics, bonus bets, head-to-head betting, odds versus evens and favourite versus field markets, and box/jockey challenge markets.

13E In the event an official protest is upheld, any run second to the favourite or similar promotions being run on that race will be void and bonuses not paid.

13F Subject to the Colossalbet betting rules, the amount of the protest payout will be equal to the full return the customer would have received had the horse been declared the official winner, with the maximum amount paid out limited to:

(a) Two thousand dollars - $2,000 per customer per race

13G This product is available for recreational customers only and Colossalbet reserves the right to, at its sole and absolute discretion, exclude or limit the eligibility of certain customers from receiving the benefit of the Colossalbet protest payout.

17 Above the Line Promotions

17A Only the following types of bets will be eligible for promotions that are considered "above the line" or "world at large" (seen by the general public, on websites and media):

(a) Fixed Odds (Win) bets.

(b) Bets on races with less than five (5) runners will not be eligible for promotions, should there be late scratchings or non-starters.

(c) If a given race has less than eight (8) runners, only the qualifying bets on the horse finishing 2nd will be refunded

(d) The determination as to a Customer's eligibility for a refund, win boost or cash back, and the amount of that refund, will be based on that Customer's FIRST Fixed Odds (Win) bet placed on the relevant race.

(i) Single bets only.

(ii) 'Boosted' bets and Bonus Bets will NOT be eligible for promotions.

17B Due to the increased prevalence of syndicates, promotions are now only available to customers who have wagered on a management-determined number of non-promotional events prior to becoming eligible - management decision is final.

17C Only one member per household is eligible for the money back, win boosts, bonus bet returns, and the account must be solely operated by the account holder to be eligible.

17D If management suspect the account holder is part of a syndicate, solely using the account to generate money back bonuses, we may request evidence to support the fact the account was solely used and funded by the account holder, and no interaction with a third party at any part of the process prior to allowing funds to be withdrawn.

17E Notwithstanding any other term or condition, Colossalbet at all times reserves the right to determine and/or revoke a Customer's eligibility to receive this (or any other) promotion for any reason whatsoever. These include (without limitation) where a Customer is abusing the promotion or where the Customer is deemed by Colossalbet (at its sole and absolute discretion) to be a non-recreational punter.

PART C

Betting Rules

18 Racing (Thoroughbred/Harness/Greyhounds)

18A Where there are eight (8) or more runners in a race, a place dividend shall be paid on first, second and third places.

18B Where there are seven (7), six (6) or five (5) runners in a race, a place dividend shall be paid on first and second places only. When a client has bet on a tote based product, place wagers will pay down to however many placings the major Australian TABs determine as appropriate for that bet type. Major Australian TABs shall be defined as the Victorian TAB (STAB), the NSW TAB and the Queensland TAB.

18C Where there are less than five (5) runners in a race, all wagers shall be on a 'Win Only' basis. If late scratchings of a runner/s reduces the field below five (5) runners, all non-tote place bets will be refunded if there is no possibility for a collect.

18D If a runner is scratched, all bets placed after the declaration of the final field, will be refunded on that runner (providing the bet was not placed prior to the barrier draw on an 'All-In' basis). All other runners will be subject to a deduction, applicable to the face value of winning bets where the bet was placed at a fixed price, for either: Win, Each Way, or Place Only. (Refer to the Maximum Table of Deductions in Section 18 below.)

18E Below is a description of Colossalbet Racing Products on offer. Depending on the status of the race meeting, differing products will be available daily as stated on the Colossalbet website.

(a) BestDiv Plus SP (tote derivative): This product is the best of either the "Best of the 3 Australian TAB Prices" or the Colossalbet Starting Price (Colossalbet SP). Colossalbet SP only applies to the Win Portion of the bet.

(b) BestDiv (tote derivative): This product is the best of the 3 Australian TAB prices.

(c) TopFluc (fixed odds derivative): This product is equal to the highest fluctuation declared on course. This only applies to the Win Portion of the bet.

(d) MidDiv (tote derivative): This product is the middle dividend of the 3 Australian TAB prices.

(e) Exotics (tote derivative): For Australian races and STAB commingled pools on international races; Quinella, Exacta, Trifecta, First Four and Quadrella are paid at the dividend declared by the Victorian TAB (STAB) subject to the payout limits in clause 9E.

(f) Exotics (fixed odds derivative): For races where Australian TABs run ‘B’ pools and for races not covered by STAB pools; Quinella, Exacta, Trifecta, First Four are paid at prices derived from the Colossalbet SP, maximum prices are outlined in clause 20A(a).

(g) AusDiv (tote derivative): This product is the weighted average price of the 3 Australian TAB prices.

(h) Fixed Odds: Fixed Win & Place odds are available on the Colossalbet website and once confirmed, are not subject to fluctuation.

(i) Tote +X% (tote derivative): This product pays the Tote Dividend with the winnings portion increased by the percentage (X%) displayed for the product at the time the bet is placed. The dividend is calculated as: ((Tote Dividend – 1) × (1 + X%)) + 1. For example, a Tote Dividend of $5.00 with Tote +10% pays ((5.00 – 1) × 1.10) + 1 = $5.40. The Tote Dividend used is the one specified for the product on the Website or app. Tote +X% is subject to the same conditions and protections as Colossalbet's other tote derivative products, including clauses 18F(c), 18F(d), 18F(e), 18F(k) and 18F(n) and the payout limits in clause 9E. Where a dividend is limited or replaced under any of those clauses, the X% boost does not apply and the limited or replacement dividend is paid. Tote +X% may be offered on any bet type, as displayed for the product.

18F Products subject to conditions detailed below:

(a) Colossalbet Starting Price (Colossalbet SP) is the Colossalbet Fixed Odds Win and Place bet type prices when the race jumps and is subject to deductions where applicable.

(b) Tote Dividend(s) refer to any dividend declared by the Victorian TAB (STAB), NSW TAB (NSW) or Queensland TAB (QLD/UNI).

(c) Colossalbet may place a limit on the final odds of tote derivative products. If any Tote Dividend is more than 50% higher than the Colossalbet SP or a fixed odds price derived from Colossalbet SP for the equivalent bet type, Colossalbet reserves the right to pay a dividend equal to Colossalbet SP for win and place bet types and a dividend equal to the Colossalbet Fixed Odds Derivative for exotic bet types.

(d) If a tote pool goes down and parimutuel betting is affected, then Colossalbet reserves the right to pay a dividend equivalent to Colossalbet SP.

(e) In the event that one of the Major Australian TABs for promotional reasons or otherwise, returns elevated dividends due to them foregoing their normal take-out margin, Colossalbet reserves the right to declare its BestDiv and BestDiv Plus SP products at the higher of the other two Australian Totes.

(f) If a meeting is abandoned or postponed to another date, single bets are void and wagers will be refunded. Affected multi bets will be recalculated excluding that leg.

(g) Where a race meeting is transferred from one racecourse or surface to another, on the same racing day, all betting rules and limits will apply as if the meeting was not transferred, providing the same scratchings remain unchanged.

(h) In the event a change of course or surface change occurs, and scratched runners are reinstated, all previous bets taken on the race are void.

(i) Regardless of whether a futures event (all in betting) has been abandoned, postponed or transferred from the original date, all bets placed prior to the barrier draw stand until the completion of the event. All bets placed after the final field is announced will be subject to refund and members must resubmit new wagers on the event.

(j) Colossalbet reserves the right to cancel any bet where Colossalbet considers the bet is unfairly advantaged in regards to starting times of events.

(k) In the event of a dead heat, where such an option was not offered for betting purposes, the ticket will be paid out at face value divided by the number of Dead Heating winners of the event. If the bet was placed on a tote product, Colossalbet pays on the re-calculated tote dividends.

(l) The Colossalbet products and wager types are intended for bona fide clients, that is, those clients who act at all times in good faith, sincerely, without fraud and who place wagers with Colossalbet for the purpose of recreation and entertainment.

(m) If no bet type is specified, the default bet type will be a win only bet at the applicable tote-based product.

(n) At the discretion of Colossalbet management, Tote pools of under $500 may be disregarded in the calculation of BestDiv and MidDiv dividends.

(o) Any wager on the field proposition in favourite versus field markets is not subject to any deduction or increased by any percentage due to scratchings. Normal scratching rules apply if a wager is placed on the listed favourite at the time.

(p) If a favourite is scratched, all wagers on the field against that nominated favourite in favourite versus field markets are void.

(q) Colossalbet reserves the right to refuse the whole or part of any wager.

(r) Favourite versus field bets stand regardless of any late scratchings. Any runner which is scratched after a bet on the field is placed will receive an 'inverse deduction' whereby an extra dividend is paid to offset the reduction in chances of a field bet being successful. The official deduction declared next to the runner will be used as the 'inverse deduction'.

(s) If a client contacts Colossalbet Customer Support (support@colossalbet.com.au or live chat) before the race commences, Colossalbet management may consider voiding the wager prior to the race commencing.

19 Jockey Challenge

19A Jockey Challenge bets are available on selected meetings on a 'Win Only' basis.

19B The winning jockey is the rider who accrues the most points based on the 3-2-1 system where the jockey receives 3 points for a winning ride, 2 points for finishing second and 1 point for finishing third. In the event of a tie, dead-heat rules apply. This is regardless of the number of outright winners ridden by the listed jockeys.

19C The "Any Other Individual Jockey" option shall be defined as the points earned by any one individual jockey riding at that meeting outside of the jockeys already nominated in the list of betting options for that meeting.

19D If any Individual Jockey listed in the market does not take part in at least one (1) ride for the meeting, all wagers on the Jockey Challenge for that meeting will be cancelled and monies refunded.

19E For wagers on any Jockey Challenge to stand, all races scheduled for that race meeting must be run and correct weight declared. All bets will be cancelled, and monies refunded if the meeting is postponed, abandoned or any race is declared a 'no-race' by stewards, unless it is determined that a jockey has an unassailable lead, in which case all bets stand.

20 Racing Exotics

20A Dividends are all subject to the payout limits in clause 9E as well as:

(a) Where Colossalbet pays an exotic price derived from the Colossalbet SP, the maximum price for a $1 unit for each bet type is limited to:

(i) Exacta - $501

(ii) Quinella - $501

(iii) Trifecta - $2001

(iv) First Four - $2501

(b) Notwithstanding the maximum payout limits detailed in clause 9E, Colossalbet reserves the right to limit total payout to any individual(s) on any bet type. If the total Colossalbet payout on any bet type exceeds the Victorian TAB tote pool, Colossalbet reserves the right to limit the total payout to clients to the amount of the Victorian TAB pool on that particular bet type.

(c) If the Victorian TAB dividend is 50% higher than any other Tote Dividend declared on any bet type, then Colossalbet reserves the right to limit the dividend to the value of the lesser of any Australian Tote dividends on that bet type. Colossalbet will otherwise pay a dividend equal to the dividend declared by the Victorian TAB (STAB) on races run in Australia or when STAB covers the event and the pool is commingled.

20B In the unlikely event that the location where the wager is struck is not covered by the Victorian TAB, the dividend will be paid at the Colossalbet SP derivative equivalent price.

20C In the event of a jackpot with the absence of a dividend, the Colossalbet dividend is calculated by taking the Victorian TAB (STAB) Jackpot and dividing it by the number of $1.00 winning units. Where the total of winning units held by Colossalbet is less than one, the flex % held is multiplied over the jackpot amount to determine the dividend.

20D In the event of a Dead Heat for any of the place getters, there will be as many dividends as there are correct order combinations as declared by the Victorian TAB (STAB).

20E Colossalbet offers markets on the following exotic bet types:

(a) Quinella: A quinella is when two runners are selected to place first and second in any order. If a selected runner is declared a 'non-runner' or scratched after the wager is confirmed, wagers will be refunded on every combination which includes the scratched runner, and the combination stands, and the wager re-calculated without the scratched runner.

(b) Exacta: An exacta is when two runners are selected to place first and second in the correct order. If a selected runner is declared a 'non-runner' or scratched after the wager is confirmed, wagers will be refunded on every combination which includes the scratched runner, and the combination stands, and the wager re-calculated without the scratched runner.

(c) Trifecta: A trifecta is when three runners are selected to place first, second and third in the correct order. If a selected runner is declared a 'non-runner' or scratched after the wager is confirmed, wagers will be refunded on every combination which includes the scratched runner, and the combination stands, and the wager re-calculated without the scratched runner.

(d) First Four: A first four is when four runners are selected to place first, second, third and fourth in the correct order. If a selected runner is declared a 'non-runner' or scratched after the wager is confirmed, wagers will be refunded on every combination which includes the scratched runner, and the combination stands, and the wager re-calculated without the scratched runner.

(e) Quadrella: A quadrella, or ‘quaddie’ is when the winners are selected in four consecutive races listed on the quaddie Race card. If a selected runner is declared a 'non-runner' or scratched after the wager is confirmed, wagers will be transferred to the substitute favourite as declared by the Victorian TAB (STAB). Where Victorian TAB does not cover the event the substitute will be the Colossalbet SP favourite, in the case of more than one runner sharing the favourite price the substitute will be the runner with the higher saddle cloth or rug number.

20F Fractional Betting allows you to place a bet on a quinella/exacta/trifecta/first four/quadrella for a set dollar amount. This way you can have multiple selections for a smaller outlay. Simply make your selections and nominate the total amount you wish to spend on your bet. Your bet will cost the dollar amount you nominate and if you win you will receive a percentage of the full $1 STAB dividend. The minimum wager for fractional betting is $1.

21 Athletics

21A Betting on the winner of an event is offered on an 'all-in' basis. No refunds will be given for non-starters or for competitors who retire, withdraw or are disqualified during the course of a meeting.

21B All Customer bets will be paid on the basis of the official result (as per the podium presentation) unless a protest occurs and the official results are changed within twenty-four (24) hours of the completion of an event, in which case the event will be resettled.

21C Notwithstanding anything else contained in these rules, the result standing twenty-four (24) hours after the completion of an event will be deemed the final result and will not be amended regardless of any subsequent protests or changes to the official result (as a result of, for example, the outcome of doping cases).

21D A participant that is disqualified due to an infringement, for example by reason of a false start, will be deemed to have taken part in the event.

21E Customer bets on head-to-head markets will be declared to be 'no-bets' and refunded unless both competitors involved in the market start the event.

22 Australian Rules Football (AFL)

22A Bets will be paid out on the basis of the official declared result.

22B For events where extra-time is played, bets will be paid on the basis of the official declared result after the completion of extra time.

22C For matches without extra-time:

(a) A 'draw' will always be included for 'margin' betting, and any bets that were placed on either team to win by a margin will be considered losing bets in the event of a draw/tie.

(b) Any bet placed on a head-to-head option on either side is paid in accordance with the 'dead heat rule' (i.e., half of the face-value of the relevant bet ticket).

22D If a match is postponed but played within seven (7) days of the originally scheduled start time, all bets on any market on that match shall stand. If the match is not played within seven (7) days of the originally scheduled start time it will be deemed to be abandoned and:

(a) All single bets on the abandoned event shall be voided and the stakes refunded.

(b) All multi-leg bets will be recalculated to exclude legs involving the abandoned event.

22E For all player markets and markets based on player statistics (i.e., top goal scorer, most disposals etc.), bets will be paid out on the basis of results and statistics published on, and extracted from, the AFL website.

22F Any bet on a player will be refunded if the player is not named in the final matchday team of twenty-three (23).

22G In the event of a venue change, all Customer bets shall stand.

22H Premiership markets are settled on the official premiers. A premiership market will not be available once the two grand finalists are known. From that point, only match betting on the Grand Final will be available.

(a) For match betting on a Grand Final, bets are settled on the official result, including any extra time played under AFL rules.

22I Any Customer bets placed on a 'Most Wins', 'Most Losses' or other similar market will not take into account any competition points deducted from a team owing to breaches of rules and/or regulations. In the event of two or more teams tying, the tie shall be broken based on the percentage as published on the AFL website.

22J Any Customer bets placed on a 'Top Victorian Team', 'Top Non-Victorian Team' or other similar market shall be resulted in favour of the team that finished higher on the ladder at the conclusion of the home-and-away season. Should two or more teams finish on the same number of competition points, the team with the better percentage shall be deemed to have finished higher on the ladder.
